It is standard that private schools adjust their tuition an average of 4-5% each year to reflect cost of living increases. At MAC, tuition changes start on September 1. We strive to be open and honest with families at all times, and we will inform families via email and our website when changes are made to our tuition and fees. These changes are typically voted on by our Board of Directors in January for the next school year.

Fees and Other Information

A non-refundable application fee of \$100 per child is due at the time the application is submitted.

Admissions Overview:

Prior to a family being offered a placement at MAC, we require a family interview with the child's parent(s) or guardian(s). This interview allows the family to have a more personal conversation with our Admissions Team.

Children will be invited to our Elementary to spend half or a whole day to work and be assessed by our Admissions Team.

When a spot is offered and your family decides to accept a space at MAC, we ask for a non-refundable \$500 enrollment fee to confirm your acceptance and hold your family's spot at MAC. An additional non-refundable \$250 placement fee per child is due upon enrollment as well.

Additional information on reverse

Once enrollment is accepted, the parent(s) or guardian(s) will attend an Enrollment Orientation with our Director of Admissions. This is your time to ask any additional questions you may have; school policies, procedures, and routines are reviewed and general questions are answered.

Materials and Building Fees

MAC recognizes the importance of Montessori materials in the classroom. In an effort to maintain the beautiful work pieces you see in each of our classrooms and fund all activities and going outs, a non-refundable \$700 Material Fee is due upon enrollment into the school and at the start of each school year for each child enrolled at MAC.

MAC is a large school and our building requires regular maintenance. A \$550.00 Building Reserve Fund fee is due upon enrollment of school and at the start of each school year for each family enrolled at MAC to ensure that our building remains a safe place for your children to learn and grow.

Work Bond Hours

MAC encourages and values parent service in an effort to strengthen our MAC community. We ask that each family completes 10 hours of work service per school year. MAC requires each family to pay an up-front deposit of \$240 due upon enrollment; this deposit can be “worked off” throughout the school year at a rate of \$24 per hour, so it rolls over at re-enrollment if all 10 hours have been completed. Various work bond opportunities are available such as attending Parent Ed offerings, class field trips, Family Fun Fair, Book Fair, our annual Gala, and many more.

Vaccinations

MAC only accepts children who are or who will be vaccinated. We cannot accept children abstaining from vaccinations for any reason. Delayed vaccination schedule is acceptable with a note from your child’s pediatrician along with the full schedule of vaccinations for our records.
